Bazz 50

Item: BAZZ50

The Bazz 50 is an airmix sprayer for cold application with built-in compressor. It is always ready-to-use.

It is ideal for spraying release agents, oil and egg wash (or egg wash substitute) as well as other cold liquids.

Key Features

The Bazz 50 has a built-in compressor. It only needs to be connected to a 115V power outlet. The unit sucks the liquid straight from its container.
